

### **Maths**

Over the next two terms, Year 2 will be working to develop their number fluency. There will be a big focus on measurements, specifically money. The pupils will be applying their knowledge of place value to solve money problems. We will continue to count in 2s, 5s and 10s and begin to learn other times table facts.

### **PSHE**

In our PSHE lessons, we will be celebrating differences. Through our exciting lessons, we will think about how people are all different and that difference is something to celebrate. We will think about what makes us unique and what makes us part of the bigger community.

### **PE**

We will be focusing on gymnastics this term. Year 2 at WPA will continue their coaching with Ripra Rugby.

### **PSHE/British Values**

We will be focusing on tolerance and responsibility.

### **English**

Our main text will be 'A Squash and a Squeeze'. We will be looking at sentence structure and punctuation. We will also learn about language used, specifically the author's choice of vocabulary. In our own writing, we will learn about using different story openers.

### **Year 2**

### **Spring Term 1**

**January - February**

**2021**

### **Art and Design**

We will be learning about the work of illustrators. We will encourage our imagination, self-expression and understanding of colour within our art activities. We will look at colour theory, techniques and inspiration for painting and drawing. We will learn about different illustrators and their contribution to storytelling.

### **History**

We will be exploring who our Famous People in History are and what makes them famous. We will be able to compare and contrast life now and in the past. We will think of ways to find information and look for evidence. Our focus will be on decision making and asking more focused questions.

### **RE**

In RE we will be exploring Judaism and looking at how it is linked to Christianity. We will then move on to understanding the Jewish Passover and explore facts about Judaism such as places of worship, Shabbat and Hanukkah.

### **How you can help at home?**

To support your child at home, please ensure that they are reading daily. The children should also be supported in learning their times tables for 2x, 3x, 5x and 10x. Please log in to Purple Mash to access fun, educational activities.
