

Literacy

We will listen to stories altogether and learn how to turn the pages of a book carefully. We will read our favourite stories lots of times so we can join in with the repeated words and phrases. There will be stories all around our nursery that we can read on our own and with one of our adults who work with us. We will focus our learning on the story 'Owl Babies'.

It's Good To Be Me

Term dates 5th September- 17th October 2025

Remember to send your child into school with a named water bottle every day. Children should have a waterproof coat every day.
Please name all items of clothing and shoes.

Maths

We will be playing with lots of counting toys and objects. We will count all of our friends as we line up for lunch. We will sing lots of fun number songs and learn how we count things by touching them.

Communication and Language

We will be making lots of new friends this term and try to learn our friends names. We will be learning how to say good morning to each other for our register and morning welcome routines. We will talk about the things we like doing at home and in nursery.

Personal, Social and Emotional Development

We will learn how to share our toys and put them away rather than throw them over our shoulder! We will learn to sit at the table and give out the cups for snack.

Understanding the World

We will be learning about what makes us special and talking about our likes and dislikes.

Understanding the World – Past and Present

We will talk about who lives in our family. Please can you give us a photograph of your family so we can display them and talk about the people. We are happy to print these if you email them to the admin team.

Physical Development

We will do lots of finger strengthening exercises by threading, building, playdoh and simple puzzles to get our fingers ready for writing and drawing.

Expressive Arts and Design

We will sing lots of nursery rhymes and experiment with the sounds we can make with our instruments. We will learn how to paint using our hands, brushes and stamps. We will explore a range of mark making resources such as crayons, felt tips and ink stamps.
