## PRIMARY ACADEMY

### Term 4 – What an ‘egg’ceptional term!

Another busy term, filled with exciting events and memorable moments! Here are just a few snippets...

We began with NSPCC Number Day where parents were invited to take part in various Maths activities with their children. Lots of parents attended and the day was well received by those who came.

Two of our Year 6 children were invited to Lawn Manor Academy to take part in the Trust Bake-Off competition. Zoe and Autumn baked red velvet cakes – which looked (and tasted) fabulous! I have been reliably informed that all the bakes were amazing, and it was a tough choice choosing the winners. Our girls done us proud and came away with a medal and certificate. Well done!

In February, the children learned about ‘Smart tech, safe choices’ – Exploring the safe and responsible use of AI during Safer Internet Day. The children had opportunities to take part in various planned activities across the day to explore the importance of how to use AI.

In March, Eagles celebrated the joy of books and reading with World Book Day. Everyone – children and staff, dressed up as their favourite book character and enjoyed a day full of activities linked to reading. The day finished with a parade of all of the classes in their costumes. Everyone looked amazing!

Rupert Gregory, our new Chair of Governors has visited us a number of times this term. He was very complimentary about the school and in particular, the behaviour and attitudes of the children that he spoke to. He also enjoyed meeting parents on the gate.

Year 2 enjoyed an exciting day at Marwell Zoo. Alongside completing a Zoo Bingo challenge, the children used their knowledge of adaptations and habitats to explore every corner of the park — reading plaques, spotting key features, and asking brilliant questions. There were so many memorable moments: watching Mr Ford get *very* nervous around the tarantula, meeting the adorable baby rhino, spotting the snow leopards lounging in the sun, and getting up close to the pygmy hippos. The children even impressed a zookeeper with their thoughtful questions and confident answers. Their behaviour was outstanding throughout the trip. They were true role models for our school, and we are incredibly proud of them.

More recently, Eagles celebrated ‘Mothers & Others’ with an afternoon tea. The hall was set up beautifully and decorated with table cloths, flowers and crockery. Tea, coffee, pastries and fruit platters were served. Parents got to spend quality time with their children whilst celebrating Mothers & Others.

This week, the whole school visited St James Church for a special Easter service led by Julie. The service commemorated the resurrection of Jesus Christ, symbolising hope, renewal, and the promise of eternal life.

The final day of term saw the whole school take part in an Easter Palm workshop. The wonderful Karen and Barbara came back to Eagles again to work with the children to make Easter Palm crosses. The day finished with a thoughtful assembly led by Karen. We are excited to welcome them back to the school again in the near future.

Our winning house, Wardour, along with all of the winners of the Headteacher Golden Eagle award this term, celebrated their success with an afternoon at the local park – Great fun was had by all - well done Wardour!

I hope you all have a wonderful, restful Easter, filled with lots of chocolate! We look forward to seeing the children again next term.

## Polite Reminders

- \* Please remember to label all items of uniform with either a sewn in label or permanent marker – this makes it much easier to return lost items to the rightful owners!
- \* Attendance – If your child is absent for any reason, please ensure sure that you call the office by 9:00. If your child has a medical appointment, you may be asked to provide proof.
- \* Lunches – Please ensure that you order your child’s school dinner on Parent Pay in advance. You are required to book by the end of the day on Wednesday for the following week.
- \* Healthy lunches – If your child brings a packed lunch to school, please make sure that it **does not** contain anything with nuts eg: chocolate spread. Lunches should be healthy and should not contain sweets or chocolate bars.
