

Year 6 Summer 1 Newsletter

April 13th - May 22nd

FINAL Push

As we enter the final push before SATs, I want to take a moment to say how incredibly proud I am of each child. They have shown such resilience, aspiration, and opportunity throughout the year, and it has been a joy to watch them grow in both confidence and skill. With just a short stretch to go, we're excited to support them in every way we can as they approach this important milestone.

SATs Week

Monday 11th May - Thursday 14th May

Breakfast (optional) will be provided each morning for a soft supported start to each day

Core Subjects

Maths: we are starting the term with a practice of **multi-step reasoning** questions. Moving onto **shape** and finishing with **statistics**.

Reading: We are continuing our **key skills** focus sessions..

Every friday pupils will continue to complete a practise reading paper and an Arithmetic paper.

Other Subjects

Science: The Human Body, looking at how the body functions.

History: The Vikings

RWV: How do different religions see the world?

Music: Baroque

Spanish: Spanish Celebrations

Computing: Data Detectives

DT: Introduction to our summer legacy project

Homework

Students will have easter packs to complete over the break
Century every week due Friday
Spellings every week due Friday
