Author visit

On 17th November we are thrilled to have Alex Atkinson in school for an author visit in Key Stage 2. Alex visited Noremarsh last year and we had a brilliant day exploring her book and starting our own suspense stories.

Her books, The Spooksmiths series, are about a set of twins who discover they are able to see and communicate with ghosts. They have mysteries to solve, adventures and mild peril to navigate. They are brilliantly engaging – I thoroughly enjoyed them.

Alex will be in all day; she will lead assembly in the morning and then work with all 3 KS2 classes. So, all children will have the opportunity to meet with her and get to know her motivations, what inspires her and how she sets about writing books. This is a brilliant opportunity, one which I hope they will enjoy.

If you would like to purchase one of Alex's books you can do so via parent pay. We will then order them and label them up to make it easier for Alex to get them all signed on the day.

We hope this is the first of many visits of this kind to the school.

With Warmth
